

# 1. ASSEMBLY

## KÄRCHER PUZZI 8/1 C

Please use this guide to assemble the product correctly.

### 1 Attach the hose

Attach the hose to the Puzzi by connecting the two ends. It's a tight fit so push hard.

### 2 Attach the nozzle

Attach the upholstery nozzle to the hose by connecting the two ends.

### 3 Fill the container

Fill the container with warm water. Not boiling boiling water.

**OPTIONAL STEP**

### 4 Add cleaning solution

Add a Kärcher cleaning tablet to the water in the container.

### 5 Fill the tank

Pour the water from the bucket into the tank of the Puzzi.

### 6 Place the bucket

Place the empty bucket back into the Puzzi.

### 7 Place the lid

Place the lid on the Puzzi.

### 8 Connect the power cable

Connect the power cable to a power outlet.

### 9 Vacuum the fabric

Use your own vacuum cleaner to thoroughly vacuum the fabric you are going to clean.

### 10 Turn on sprayer

Push the right button on the Puzzi to turn on the sprayer function.

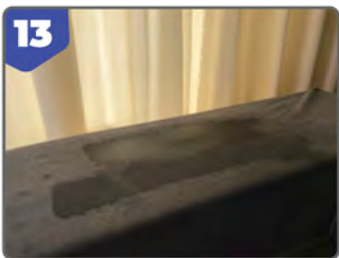

### 11 Spray the fabric

Pull the trigger on the upholstery nozzle and spray the fabric you want to clean.

### 12 Turn off sprayer

Push the right button on the Puzzi to turn off the spray function.

### 13 Wait 5 min

Let the water sit for 5 minutes. This lets the cleaning solution work optimal.

### 14 Turn on vacuum

Push the left button on the Puzzi to turn on the vacuum function.

### 15 Clean fabric

Vacuum the fabric you sprayed by moving the upholstery nozzle over the fabric and pushing it into the fabric. Don't pull the trigger.
